# 15 MINUTES ALONE WITH GOD FOR MEN BY BOB BARNES PDF

Sporting a handsome new cover, this popular guide (more than 200,000 copies sold) provides men with everything they need for daily spiritual refreshment and renewal. Like an older brother, Bob Barnes encourages men to develop their character as they enjoy intimate, life-changing encounters with God.

Each day's offering includes a short Scripture reading (and a key verse to focus on throughout the day), a simple but thought-provoking devotion based on everyday life, a prayer, and action points that help guys apply what they read. These dynamic 15-minute devotions will inspire, challenge, and equip men to grow closer to God and more effectively love and lead the people God has placed in their lives.

A book for all men

By A Customer

When teaching Bible studies on prayer, I have often looked for a tool to help those new to prayer answer the question of "Where do I begin"? This book is a wonderful starting point in that no matter what page you start on, you will always find an inspirational message and a place to begin your prayer time. I often find myself studying 3 or 4 sections at one time.

10 of 10 people found the following review helpful.

What a WONDERFUL BOOK for our husbands

By A Customer

Bob really knows and understands how to reach our husbands. The way the book is laid out, it really seems

to reach every man who reads it. It is wonderful the way Bob has written this book. It helps the men in our lives to open up and start sharing. I highly recommend this book for all the special men in our lives.

12 of 13 people found the following review helpful.

If you're looking for a guy who twists scripture, this is it!

By Keith Windham

Overall, the book is geared towards men who are married, not men in general. I did the kindle sample for a couple of days and thought that it would be a pretty good book to have. I was wrong. The first few that are samples are great, but shortly after that the book tanks towards media bashing and twisting scripture around. The book is set up with a chunk of scripture to read and then the key verse is pulled out of it for emphasis. The problem is the "key verse" gets twisted around to fit whatever the guy wants to talk about and most of the time has nothing to do with the context of the chunk lined out in the book. I don't know why it got higher reviews from others, but this is definitely not a good devotional book to do if you aren't married or if you don't like twisted verses.
