The girl of his dreams

By The Fewest Words

What can I say? This was a surprisingly good story. It was slightly humorous and it kept my attention throughout. The ending threw me a little so my suggestion to those who are looking to read this novella: pay close attention at the beginning. Shawn Richards I think you have a unique writing style that's going to take you places. For a freshman effort this was not bad at all. I honestly didn't expect to like it but it was an enjoyable read.

Great Storyline!

By Dstinction9(Shalonda Sheneice)

Betrayal and comedy wrapped into one. If you like reading stories that have an unexpected ending this is a definite read for you. The story grabs your attention and holds it until the end because you can't help but want to know how the story will play out for Andres. Does he allow Karma to visit in due time or does he have a hand in delivering karma on behalf of the betrayal placed on him? Trust you will be surprised in the end.

Excellent writing style

By Faye Wilkes

I really enjoyed this story by this new author! It was very well written and entertaining. I was drawn in from the very beginning and was shocked at the actual twist as I never saw it coming! I'm looking for big things from this author as he possesses what some authors fail, which is the ability to tell a story and capture the audience to the end. He did just that.

Job well done Shawn Richards,
