I love this book and DVD. Tells you what to do in emergency situations before going to a vet. You can save your cats life if you know how to do CPR on it. Recommend to those who want to know how to be helpful

Cat First aid book with DVD

By Kathy Doran

This book is excellent and I think that Every Cat parent should have one. I watched the DVD when my cat was ill before going to vet. It was very helpful. I gave a friend one as a gift also.
