Creates Number Sense

By noelle k

This book helps get to the heart of the matter with math. The underlying number sense that we need in order to understand and use math effectively is crucial. The author explains well how to impart these concepts to learners.

0 of 4 people found the following review helpful.

Book purchase

By W. Svetina

This purchase went smoothly. I got my book right away. Great deal. I would definitely buy from you again.

Thanks
