Chloe's sure he's just amusing himself with her, and there is no way he'd pick her as his final Dream Girl — especially since she gets into so many crazy scrapes on the show. Reality TV at its Best!

By Love to Read

I'm not a fan of Reality TV, which is why I loved this book so much, because Chloe, our heroine, isn't fond of them either. I thought a little Reality TV bashing could be a lot of fun. And was it ever so fun in this sexy story. Some of the scrapes Chloe got into had me rolling on the floor laughing. But there was so much more here than just the laughs. The author actually turned all the Dream Girls into real people with real stories. She even had me feeling sympathy for the ones I was supposed to hate. But at the heart of it is the romance between Chloe and Dominic, and the heat they generate is off the charts.

Hands down the funniest and most charming romance book I've ever read!

This book is a fun and witty take on the TV series "The Bachelorette". Alexis Alvarez kept me laughing from start to finish. At one point I was laughing so hard I had tears streaming down my face. I highly recommend Dream Girl.

Dominic Harrington is a successful businessman who has no interest starring in a reality TV show. He only agrees out of guilt due to a favor he owes his long time friend Kyle. Dominic has no plans to fall in love on the reality show called Dream Girls, but sometimes fate has other plans. Chloe Barnes is a smart, intelligent, and confident full-figured beauty and is a contestant on the show. She has her reasons for trying out and they have everything to do with travel and adventure and nothing to do with love. Chloe bumps into Dominic before shooting starts and sparks fly. They verbally attack one another as a form of foreplay. Kyle, the producer of the show, forms an instant dislike for Chloe and makes her life on the show challenging. Throughout the filming Chloe is able to rise to the occasion and overcome the roadblocks Kyle puts in her way with ingenuity and humor. The plot is outlandish, but the characters and writing are so fun it makes this book a must read. Enjoy!

DREAM GIRL OR NOT TO DREAM GIRL!

By Frances G.

A hot television reality show with a hot guy and twenty females.

Dominic is the newest hot guy on a reality show that he doesn't want to do. He was asked to do it as a favor for a friend. When he meets one of the contestants before hand he gets a shock into reality. Chloe is a real treat when it come to the other contestants. She doesn't want to demean herself or settled for what they want her to do. When Dominic's and Chloe's chemistry get involved they try hard to keep it down but it doesn't work.

As the play the game on reality tv for each other will they have a chance or will their chemistry go out before they get started.
