We will ask first, have you much more times to opt for going shopping guides as well as look for the referred publication *East European Diaries: Essays And Vignettes By David Brown* in publication shop? Many people may not have sufficient time to find it.

## **Review**

I lived in and wrote about Central and Eastern Europe during the years David Brown recaptures, ponders, and often makes glow with fresh insights in this personal narrative. It rings true. It deserves a global audience. --Joe Sherman, author of "Fast Lane on a Dirt Road: A Contemporary History of Vermont ."

## **About the Author**

David B. Brown, born and raised in Omaha, NE, is a lawyer who worked as a Senate Legislative Aide on Capitol Hill and later as a trial lawyer representing the indigent in Washington, DC. He left for Eastern Europe in 1996, worked for a NGO in Prague, and later taught at the university level in in Prague, and the post-graduate level in Budapest and Riga. He has written juvenile-justice pieces for the Washington Post, cultural-political commentary for the Prague Post and a number of Eastern European magazines, and environmental articles for the Anglo-American University Law Forum.

Some twenty-five years after the fall of the Berlin Wall, this account of post-communist Eastern Europe offers perspective beyond a nostalgic glance back at a unique moment in time. Written by a former expat, the focus is not on young Americans living it up in Prague or Budapest, but rather on the author's everyday interactions, work-related and personal, with Eastern Europeans who were living through profound political change. Although the book does not set out to offer a solitary theory or pat solution for recent events in Eastern Europe and the former Soviet Union, it lays out a framework for better understanding them.

By Michaela

Drawn in by the author's easy tone, I quickly lost track of hours while traveling alongside David Brown in his compelling, thought-provoking collection of essays from Eastern Europe. A teenager when the Berlin Wall fell in 1989, my curiosity about life in Eastern Europe ---both before and after Communism--- runs high. The author's experiences offer a personal perspective on a complex place and time in history that remain, at least for this reader, mysterious and intriguing.

By Amazon Customer

Adventure travel has different meanings for different people. For lawyer, David Brown, it meant leaving his Washington, DC law practice in 1996 and moving to Prague. East European Diaries chronicles the next 6

years of his life as an American expat living and working in the Czech Republic. Based on daily experiences, his insightful perspective into the lives of people finding new opportunities after the fall of the Soviet Union, and changes to his life as an American living in a foreign country, created a vivid and memorable narrative of a historic time period.
