I Love Norvel Hayes.

By jch

Also I am getting into smaller books. I am liking books that can be read in one or two settings. This one is about 90 pages and it doesn't disappoint. It all begins with Faith . . .surprise, surprise. Hayes touches on the Gifts of the Spirit and things that choke off God's blessing system. Hates being the author, we get some healing. . . I don't know why . . .

God has a plan, and it is to BLESS His kids!!!!

By rocky mt lady

I have always found Norvel Hayes able to speak to my mts, and allow me to understand how to pray for victory. I have many of his pocket books from decades ago and I take those out in times of difficulty and reread them. There is victory in praying the WORD, and aligning your perspective to a heavenly one.

Knowledge with understanding

By Edith Horn

Dr. Hayes pens with great understanding the Word of The Lord concerning His very best for each of us. Even the least knowledgable in Scripture can follow and come into agreement with the promises of God.
