Weston Simply set apart numerous times in our spare or downtimes while having meal or in your office to check out. This Hell Bound (Heroes In Hell) By Andrew P. Weston will certainly show you brand-new point that you could do now. It will certainly aid you to boost the top quality of your life. Event it is merely an enjoyable publication **Hell Bound (Heroes In Hell) By Andrew P. Weston**, you can be happier and also much more fun to delight in reading.

Review

Hell Bound is a vividly wrought story of evil at its best...the story was compelling and a fascinating venture into the world of unsequestered villainy. Weston's novel is highly inventive and enthralling. It's a mob drama with a taste of the supernatural. -- Fanboy Comics

Hell Bound is an epic and fast-paced adventure. Part Gothic, 19th century-style mystery, part sword and sorcery, and part horror. This is a grand tour of Hell which kept me reading to the last page. -- Black Gate Fantasy

Weston is a talented storyteller. I love his unique take on hell, dark, edgy, and humorous...and the writing is masterful. Just sit back and enjoy. -- Vine Voice

Hell Bound is a comedic and engrossing look into the life of Satan's Reaper. The characters are so richly imagined, you'll find yourself booing and cheering for people you never would have imagined. This is such a unique and exciting novel I guarantee you'll love it. -Faire's Fair Book Reviews

About the Author

Andrew P. Weston is Royal Marine and Police veteran from the UK who now lives on the beautiful Greek island of Kos with his wife, Annette, and their growing family of rescue cats.

An astronomy and law graduate, he is the creator of the international number one bestsellers, *The IX*, and *Hell Bound*, (a novel forming part of Janet Morris' critically acclaimed *Heroes in Hell* universe). Andrew also has the privilege of being a member of the Science Fiction and Fantasy Writers of America, the British Fantasy Society, and the International Association of Media Tie-in Writers.

When not working, Andrew devotes some of his spare time to assisting NASA with two of their remote research projects, and writes educational articles for *Astronaut.com* and *Amazing Stories*.

On weekends, you might also find him drinking Earl Grey Tea whilst dressed as Captain Jean Luc Picard. Make it so...

HELL BOUND (HEROES IN HELL) BY ANDREW P. WESTON PDF

In hell, everyone can hear you scream... HELL BOUND, Andrew P. Weston's diabolical and horrific new novel of the underworld from Perseid Press... Frederic Chopin, Dr. Thomas Neill Cream, and the most despicable souls ever cast into hell face Daemon Grim, Satan's bounty hunter in HELL BOUND, the Heroes in Hell novel by bestselling author of The IX, Andrew P. Weston. Perseid Press invites you to meet Daemon Grim, if you dare... "You should know by now how dark my soul is. Even in the best of times... I can't be tempted or reasoned with. I don't feel sorrow or remorse. And never express a shred of sympathy for anyone I'm sent to reap."

Hell never sounded so....evil.

By Lo

Disclaimer: I received this book in exchange for an honest review.

Andrew Weston really knows how to write an enthralling book! His words really pulled me in and didn't let go. I hope to see more from him soon. Hell Bound is about Daemon Grimm the right hand man to Satan, as he hunts down some horrible men and women. This story is about one that has gotten away and led Grimm to discover things that might just bring Satan and Hell down!

I really enjoyed the little takes Weston put in for the names of certain places and items..ex: Rolhex and Hexcalibur Hotel.. The snark and humor had me snickering well into the night. I highly recommend this book!

Great book, action-packed but witty

By Eddie Bringer

Great book, action-packed but witty, too. I enjoyed the background details that flesh out the world of Hell as much as I enjoyed the story itself. have read several of the Heroes in Hell books, and Hellbound is a wonderful addition to the mythology. Highly recommended!

Hell Will Never Be the Same

By K. A. Patterson

Disclaimer: I received an advanced copy of this book from the publisher via NetGalley in exchange for an honest review.

"Hell Bound" by Andrew P. Weston delivers snarky, humorous, deep-delving fun through a narration reminiscent of Sir Arthur Conan Doyle. Weston created a new version of Hell here, one in which the various rings reflect real world places, in which Dom Peringnon rules the crime underworld of Perish (Paris) with his 2nd in command, Al Catraz, in which Red Riding Hood aka Red Cap aka Strawberry Fields works as a special investigator, and in which the edges of Hell are illuminated by the light of Paradise.

The protagonist, Daemon Grim, acts as Lucifer's Grim Reaper in this universe. Grim hunts down bad guys both in Hell and on Earth, delivering these rotten souls to Hell for their punishment. In fact, the story begins with Grim on earth to retrieve the soul of a serial killer. Upon returning to Hell, the Undertaker, the man in charge of reassembling and reassigning souls, tells Grim that one of the souls he was supposed to retrieve is missing. This sets up the entire story, as Grim chases down one lost soul and discovers a conspiracy that might end Hell as he knows it.

I loved reading this book. In fact, I had trouble putting my Kindle down to do things such as laundry and dinner. Weston sneaks in humorous references everywhere, usually in the names of people and places. Also, the interweaving of the story was absolute genius! While most of the story was told from Grim's point of view, Weston also includes sections from other character's point of views (I can't tell you who, though,

because of spoilers!) The narration flows smoothly from one character to another, and I never felt lost.

I give this book 5 stars out of 5, and recommend it to teens and adults who like a great story
