HIDDEN MYSTERIES: ETS, ANCIENT MYSTERY SCHOOLS AND ASCENSION (THE EASY-TO-READ ENCYCLOPEDIA OF THE SPIRITUAL PATH, VOLUME IV) BY JOSHUA D PDF

The Essenes, the Kahunas of Hawaii, Pan and the nature kingdom, the angelic kingdom, the Vedas and Upanishads, the Kabbalah, the Yoga sutras of Patanjali, the Egyptian mysteries, and The Keys of Enoch -- These profound spiritual teachings, unknown to so many on our planet, are a valuable resource to anyone wishing to move further along the path to enlightenment and ascension.

This book contains a wealth of information on esoteric teachings, from the ancient mystery schools to the recently founded religions. More than a mere retelling of well-known facts, the story begins with what may be the most elusive knowledge of our time -- that of the extraterrestrial presence on Earth.

To see or not to see

By D. Milcic

This book is very short introduction for a wide range of mysteries. As any book on this subject, this one also contains many things some people will find hard to believe, but nobody forces anyone to actually believe it. Joshua as well as other quality writers always gives the source of information and advise you to do your own little research if you feel that something is out of place.

Book it self is written in serious but positive way and I would recommend it to all you seekers out there, whether you looking for truth, hope, peace or unity. Bits of all that you can find in here.

Also, I would recommend other books of Joshua David Stone (Ph.D) who has written very wide range of books on spirituality. He is not so known on commercial level, i guess he is yet to be discovered cause surely he is one of the best.

Great Book considering the opposition

By A Customer

I was really impressed at the length and precision that went in to this book. I have always felt that there was more to be told than was originally stated. Stone, I feel gives an insight to the world we thought we knew. A look at how the people we hold in such high regard are the ones who are conspiring against us.

16 of 19 people found the following review helpful.

Excellent!

By A Customer

All Americans would greatly benefit from reading this book. There is so much more than meets the eye, here on Earth.

I truly wish more westerners had an understanding of the topics in this book.
