The means to get this book *Hooked: Confessions Of A London Call Girl By Clare Gee* is very easy. You may not go for some locations and spend the time to just find guide Hooked: Confessions Of A London Call Girl By Clare Gee As a matter of fact, you could not consistently obtain guide as you're willing. However here, just by search and locate Hooked: Confessions Of A London Call Girl By Clare Gee, you can obtain the lists of guides that you truly anticipate. In some cases, there are several books that are revealed. Those publications of course will impress you as this Hooked: Confessions Of A London Call Girl By Clare Gee compilation.

Are you considering primarily books Hooked: Confessions Of A London Call Girl By Clare Gee If you are still puzzled on which of the book Hooked: Confessions Of A London Call Girl By Clare Gee that must be bought, it is your time to not this site to search for. Today, you will certainly need this Hooked: Confessions Of A London Call Girl By Clare Gee as the most referred publication as well as many required book as resources, in various other time, you could enjoy for a few other books. It will depend upon your eager demands. Yet, we consistently suggest that publications [Hooked: Confessions Of A London Call Girl By Clare Gee](#) can be an excellent infestation for your life.

HOOKED: CONFESSIONS OF A LONDON CALL GIRL BY CLARE GEE PDF

A fast-paced, rollercoaster story of what a life of prostitution is really like and a young woman's struggles with herself, her self-image, and her addictions. Reformed addict Clare Gee draws on her own experiences of cocaine addiction, alcoholism, and prostitution in telling the sensational story of a woman living on the edge. Emotionally scarred by having never known her mother, Katie escapes to London and immerses herself in a seedy world of drugs, drink, and sex, chasing happiness in the bars and clubs, and snorting cocaine in private members' bars with her rich clients. Finding herself in a cycle of prostitution and unable to break free, she turns to drug smuggling and becomes embroiled in a bigamous marriage in an attempt to secure some emotional stability. From this dark emotional pit, Katie starts her painful journey back to "wellness" and attempts to rid herself of her addictions for good. This is a graphic tale of what life as a prostitute is really like and what can happen when people search for happiness outside of themselves.

Hooked - A Different Look into a Hooker's Battle with Addiction

By C. Crockett

Well, the first thing that needs to be said about this book is that despite its title, which heavily implies the story is about one woman's life as a call girl, it is actually more about her drug addiction and messed up

personal relationships. Her experiences as a call girl are just a fleeting side note to the bigger story of her cocaine addiction.

But the title "Hooked" is definitely still fitting. The story follows Katie, a woman who's life has spiraled out of control due to her serious abandonment issues and her crippling drug addiction. Like many addicts, Katie turns to cocaine and alcohol to try to numb the pain of her life. Unable to hold down a serious job, she turns to prostitution as an easy way to make money, even though she has a deep loathing of exchanging sex with random men for money.

Although the story itself is okay, the author's writing style is rough, amateur, and sometimes hard to follow. My biggest problem with the manner of storytelling was that the book is written almost entirely in dialogue, and the dialogue is often annoyingly repetitive. There are very few solidly descriptive paragraphs. It's hard to get a real feel for the story when the characters do nothing but talk in circles, and it's sometimes hard to discern which character is speaking, and who is saying what. And since this is a novel about a call girl in London, the dialogue often uses words and phrases that only make sense to people familiar with British slang and manner of speech.

If you prefer a story that is more about the sexual experiences and adventures of call girls, I would recommend *Belle de Jour: Diary of an Unlikely Call Girl* or *Callgirl: Confessions of an Ivy League Lady of Pleasure*. These books give a very different and more positive perspective on the life of a call girl.

Despite the issues I had with "Hooked", it is an interesting look into one woman's emotional and mental struggles with life and addiction. It may be a little rough around the edges, but it's still worth a read.
