Excellent variety of legends from Indiana

By A Customer

This book is a fine collection of a range of legends from the state. Baker includes legends about historical people such as Belle Gunness, John Dillinger, Johnny Appleseed, and other known and less-well-known Hoosiers. He also includes numerous ghost stories, urban legends, supernatural tales, and countless stories from across the state. His introduction is a fine discussion of the study of legend, and he includes an excellent analysis of what these legends may mean to the people who tell them. Essential reading for anyone interested in Indiana history.

fun to read, informative and educational

By A Customer

good book about Indiana's legends and lores I live about five miles from spook light hill and have seen the mysterious light only once, I was amazed

HOOSIER FOLK LEGENDS

By Miss D.

This book is a little gem. I saw the book referenced in an article I was reading about folk tales and was intrigued by the fact that the tales in Hoosiers were gathered by the As an ELA teacher, I look forward to using this book to introduce my students to folk tales beyond Paul Bunyan and Johnny Appleseed. Two

others I would recommend are: *Great American Folklore: Legends, Tales, Ballads & Superstitions from All Across America* by Kemp P. Battle and *Whoppers: Tall Tales and Other Lies* by Alvin Schwartz.
