# HOWIE AND RUBY CONVERSATIONS BY RUBIN PDF

This is an oral history of the lives of two psychotherapists, Howard H. Fink and Rubin Battino. Dr. Fink started his career at the beginnings of psychotherapy in this country in the 1950s. He trained with exceptional people like Milton H. Erickson and Fritz Perls. He was one of the developers of Gestalt Therapy and Group Therapy. The oral history includes his training, his service in World War II, and his private practice in Dayton, Ohio. He is a Fellow of the American Academy of Psychotherapy. Battino is a licensed clinical counselor who has written 8 books on psychotherapy. He is also a Professor Emeritus of Chemistry. Their life stories and shared conversations will be of interest to anyone working in the field of psychotherapy. The book is an oral history of sessions taped over a 7 year period.

Should be read by every therapist!

By Amazon Customer

I was in therapy and supervision with Dr. Fink for more than 20 years. Howie's insights and brilliance into who we are as human beings not as a 'diagnosis' are some of the most enlightened and insightful that I have ever known. His ability to 'see' beyond our facades is at times disarming. This book of interviews captures that essence. Dr. Battino has done an excellent job of not editing out Howie's own process which you will experience when you read this book. Howie was trained by Erickson, Perls's, Dreikurs and heavily influenced by linguist S. I. Hayakawa not to mention being a lifelong member of the prestigious American Academy of Psychotherapists. Unfortunately nowadays the training of therapists involves very little if any emphasis on the therapist becoming involved in their own therapy, this of course is not the approach or belief of Dr. Fink or those of his generation of therapist's. Dr. Fink's approach is that therapy in essence becomes a way of life not a series of techniques to be applied to someone. For those who know Howie's voice one can hear him speaking as the words are read. This is as much of a love story of the countless lives he has touched over his many years of practice. I would highly recommend not only reading "Howie and Ruby" but savoring it.
