Poorly bound Bible!

By tripless

I preordered this Bible, having a love of illustrated Bibles. I also typically don't mind imitation leather. The Bible I pre-ordered was poorly bound, unattached to the outer binding at the spine. So I sent it back for a replacement. The replacement was worse, again with the pages not attached to the outer binding at the spine but only to what looks like a backing to which they are glued. In addition, 1/4" of the first pages were not attached to even that binding--just glued to the inner cover. I haven't gotten past the poor quality binding to really study the Bible itself. This is only a review of the quality of the physical book, which seems to be so poor that studying the Bible would make it fall apart.

Wonderful Illustrated Bible

By James R. Beyers

Wonderful Bible! Of course, the Word of God is indescribably wonderful. This Bible was purchased for my granddaughter but once we saw the wonderful illustrations we purchased three more grandchildren and ourselves.
