Most helpful customer reviews

1 of 1 people found the following review helpful.

Great Music!

By Matt Gwynn

Oh my goodness! KatseMBER is great and this is one of my favorite pieces that she has composed! I have taught piano for over two years. I was introduced to her art through one of my students who requested this piece. When she received her copy of the music, her eyes lit up with excitement that she had the chance to play this quality of music! I highly recommend this piece!
