An excellence resource to study the Bible

By scherf.com

We've used this book since 1982 for individual studies and Bible study groups. It's an excellent resource for studying the Bible. It's just as valuable for new Christians as it is helpful for mature believers. The book contains 52 vital doctrines of the Bible, the cardinal doctrines that are essential for the understanding of Christianity and a Christian's growth. It features chapters on the "Bible," "God the Son," "God the Trinity," "God the Holy Spirit," "Satan," "Man," "The Church," "The Second Coming of Christ," and so much more. At the end of each chapter it has a short test which will be very helpful in Bible study groups as well as for individual studies. Everything is explained in an easy-to-understand format and it also discusses various viewpoints of a certain doctrine. This book is also helpful as a quick reference guide. We highly recommend this book!
