Lo amé.

By Cliente de Amazon

Que decir, ha sido una historia fresca y rápida de leer. Los caracteres de los personajes estan muy marcados y Britt es un amor, no es la típica mujer víctima que necesita de que la socorran; necesita protección como cualquiera pero también sabe proteger y sabe afrontar las cosas solas, sumado a su fuerte carácter explosivo.

Natthan por su parte es un hombre un tanto rudo, debido a las profesiones en las que ha trabajado, más de una vez me dieron ganas de matarlo! Es muy cabezón.

La unión que tiene con su familia es preciosa, me encantó. Una historia que habla de la familia, de la lealtad hacia ella; saber apreciar las oportunidades que te da la vida y sobre todo... de que lo que tiene que ser será más tarde o más temprano.

El amor en la historia es perfecto, no es de esos muy empalagosos, es apasionado y fresco en muchos sentido.

La recomiendo!

Muy interesante

By C J Benito

Una novela fácil de leer para cualquier tipo de público, llena de personajes entrañables y con una narración suave que te introduce en la historia sin darte cuenta, hasta que no puedes dejar de leer. Llena de sensualidad, humor y valores humanos.

Es una historia que me ha cautivado y desde luego si esta es su primera novela, las demás estoy seguro de que nos dejaran con la boca abierta. Otra cosa que me llamó la atención es que no sólo se centra en el papel de la mujer, sino que además el hombre es muy bien detallado desde su forma de ser hasta sus sentimientos,

algo que la mayoría de las autoras no se preocupan por describir y provoca que los hombres no nos sintamos atraídos con la novela romántica ya que todo gira siempre entorno a la mujer y no podemos sentirnos identificados.

Mis felicitaciones a la autora

Aura

By Amazon Customer

Me enamore de sus personajes, es fabulosa muy romántica, se lee bien es atendible en todos sus aspectos, tantos los personajes como los paisajes, lo **RECOMIENDO** 100%, y para los que quieren leerla déjenme decirles que este libro viene siendo una especie de serie que "Olvídate de mi" sería la primera y de 2da es "El precio del Amor", ambos muy recomendables. Los invito a leerlos. No se decepcionaran
