Review

Christianity Today

"Sets the standard for a Christian sexual ethic."

From the Back Cover

Considered one of the definitive statements on sex and sexuality from a Christian perspective, *Sex for Christians* offers frank yet compassionate discussion that is at once refreshingly open-minded and strongly biblical. Broad-ranging and direct, the book begins with a theological overview of human sexuality - its created goodness, its sinful distortion, and its redeemed potential. Lewis Smedes then treats specific sexual issues for single and married persons, presenting plain-spoken yet responsible perspectives on such things as erotic fantasies, petting, and adultery. This revised edition also features an extensive new introduction by Smedes that brings his original work to bear on pressing issues today - AIDS and talk of "safe sex", cohabitation, homosexuality, and the need to develop Christian strategies regarding sex. Following two decades of social development since this book first appeared, Smedes now presents an even clearer statement of the Bible's moral standards regarding our sexuality. His attempt to present "a Christian perspective for a truly human sexual life" results in a sexual morality that, within a biblical perspective, is as liberating as it is limiting.

About the Author

(1921–2002) Was professor emeritus of theology and ethics at Fuller Theological Seminary, Pasadena, California. Among his many books are *Forgive and Forget*, *Shame and Grace*, *How Can It Be All Right When Everything Is All Wrong?*, *Love within Limits*, and *Mere Morality*.

Smedes* that you refer a lot can be located. Simply save the asked for publication downloaded then you can take pleasure in guide to check out whenever and place you desire.

SEX FOR CHRISTIANS: THE LIMITS AND LIBERTIES OF SEXUAL LIVING BY LEWIS B. SMEDES PDF

Now considered a classic statement on sex and sexuality from a Christian perspective, Lewis B. Smedes's *Sex for Christians* offers a frank yet compassionate discussion that is refreshingly open-minded and strongly biblical. The book is divided into three major sections. The first, "Sex and Christian People," overviews human sexuality -- its created goodness, its sinful distortions, and its redeemed potential -- what we are as human sexual beings. Part Two, "Sex and Single People," and Part Three, "Sex and Married People," are about sexual behavior in each succeeding stage of life -- the things we do as sexual beings.

With the addition of an extensive epilogue, Smedes brings his text into clear focus with today's pressing issues -- AIDS, cohabitation, homosexuality, and the need to develop Christian strategies regarding sex. And with the hindsight of two decades since *Sex for Christians* first came out, Smedes presents an even stronger statement of his two sources of authority: the Bible's moral standards regarding sex, and the authority of reality as we discern it.

Smedes's attempt to present "a Christian perspective for a truly human sexual life" has resulted in a sexual morality that, within a biblical perspective, is as liberating as it is limiting.

Worth reading with an open mind...

By Micah M.

I would recommend this book for any person (Christian and Non-Christian) who is interested in hearing a humble treatise of Sexuality from a Christian perspective. Smedes's writing is introspective yet courageous...and transparent-- oh, how I enjoyed his transparency. When reading Smedes, you'll know you can trust him and his motives; he just wants to share his thoughts with you on a subject that is deeply important and universally relevant. And you'll therefore feel confident in agreeing with him or choosing to disagree.

Best book for Christians dealing with premarital sexuality

By Anne-Lise

I'm an adult Christian who has abstained from premarital sex for religious reasons, but wanted to do some reading on the subject as a sort of clarification of my religious reasoning. I bought several books with a related theme, and this one was far and away the best (the others were *Real Sex: The Naked Truth About Chastity* by Lauren Winner, *Boundaries in Dating* by Henry Cloud & John Townsend, and *When God Writes Your Love Story* by Eric & Leslie Ludy). The others (to varying degrees) seemed less plausible in the real world, or geared toward people in the 17-21 range. *Sex for Christians*, however, seems to be firmly aware of what's going on in the modern world, despite the fact that it was first published in 1976.

The bible is involved with Smedes' text, but it is not the sole reason for Smedes' explanations. In addition, he provides several questions to help discern what is spiritually desirable, and what is not. Smedes offers a balanced view of sex within a Christian framework, and it's the best text on the subject that I've found.

Use Caution!

By A Customer

This book is fatally flawed in that the author does not rely on the bible for his information, and instead uses his own reasoning to draw his conclusions. Even though the book has a lot excellent information, I would not recommend it. On many occasions I found myself wondering about all of the scriptures the author could have referenced to clarify the topic. In a number of cases the author is clearly mistaken and directly contradicts the plain teaching of scripture.
