Awesome book. My college required me to purchase this book, but also the college accounting book, which came out a total of 120\$. What a rip off! So, i bought the college acct 2013 edition for like 20bucks, and rented this bad boy for 17\$. What a deal, right? No more getting ripped off by our failed educational system; only in it for the \$\$\$ and debt slavery of the generation Millennial, Y's and so forth that have yet to earn a name.
