Study Guide Structure & Function

By Jackie

This book is very helpful with it's corresponding textbook, great for quizzing yourself before tests and quizzes. The study guide offers some assignment opportunities for instructors, so if you don't order it with your textbook you may be kicking yourself later! I'm only 5 weeks in to my Anatomy class and it's already been extremely helpful for me! It's worth the few extra bucks to be sure you have this extra kick of information!
