By far the biggest waste of money

By paige hatchett

if i could give negative stars I would. The study guide had completely wrong answers. By far the biggest waste of money ever

By Judi G

The guide was helpful when the answers were accurate. I would have given this higher ratings if the editor had actually edited for content and matching- an email to the publisher got a one time response but nothing after. Make sure you check the answers to the actual book for the last few chapters.
