A good ending for the story arc, hope there are more!

By Mom of Two

I thought this was a great ending for the trilogy. I just hope we will see more of the Kane family if another series soon. Loved the cameo appearances from Camp Half Blood at the school dance! :-) I hope we might see a story arc mixing the demi gods and the magicians at some point?!

Riordan's Fans Won't Be Disappointed

By Leigh

With "The Serpent's Shadow," Rick Riordan sticks with his winning formula: gods and heroes (or magicians) must work together to save the world--and they only have a few days to do it. In the final book of the Kane Chronicle, Carter and Sadie have to complete a quest to stop Apophis and the forces of chaos before they destroy all of the created order. Along the way there's plenty of humor, a little romance, some crazy outfits, and lots of fun twists as Riordan brings Egyptian mythology into the modern world. Fans of Riordan's Percy Jackson and Heroes of Olympus series will notice a couple cameos--and some hints of more adventures to come. It's a fun romp of a read. Highly recommended.

He's done it again!

By writingnow

Honestly, I was a bit apprehensive going into this. Rick had left far more questions than answers at the end of TOF, and I had a horrible feeling that I was going to be disappointed with some of the resolutions.

I don't know why I doubted his abilities for a second.

Packed with the humor, action, and romance we've come to expect (not to mention including a subtle nod or two to our friends in Manhattan), the final instalment in the Kane Chronicles Trilogy is guaranteed to keep you on the edge of your seat till the very end. An absolute must-read!
