Helpful Explanation

By msjane63

I found this Kindle book/series helpful as I am taking a Shakespeare class. It translates the language so that it is understandable.

Once in a while, the author skips the explanation which is disconcerting. When I am writing essays about a play, I would like line numbers on the Shakespearean text so that I do not have to search for line numbers and text in a different book.

Helped me get through the play

By J. M. Schmidt

Seeing both the original and current translation of Shakespeare is the only way I can fully understand and enjoy his plays. This was an excellent resource.
