If you want to be a consultant

By Eugenia

For individuals exploring consulting positions, this is a must read book. You will learn about corporate culture for the most prestigious consulting forms in the US. Not all consulting is the same, nor are the firms that employ the top talent. Before you make a move, check the Vault Guide and you will know what to expect. Excellent reference, to the point and worth every penny.

superb guide with fascinating rankings

By A Customer

I found this guide to be immensely helpful in getting the real story - good, bad and ugly - about the leading consulting firms. The book also has a fascinating new poll/ranking of the 50 most prestigious management consulting firms to work for. (As might be expected, the consultants surveyed rated McKinsey as the #1 most prestigious and BCG as #2). I would highly recommend reading this guide.
