This book gave me my breakthrough in receiving Christ !

By A Customer

Kenneth Hagin's book equips you in 10 easy steps on having your prayers heard and answered ! It is a quick reminder of our faith in God and the foundation of His Word which grants us peace and joy. Through discipline of the mind and flesh we learn to resist the enemy. Nothing is impossible with the Lord as your strength. Kenneth Hagin writes in an easy style. The book gives good Bible references which are expounded in detail. At the end of the book I finally understood what it meant to rest in the Lord. So many of us today in the working world are expected to be self-reliant and highly independent but having read this book I now know how to be God focused in everything. His Word is the foundation that is built on rock. Expect a miracle !

Healing is a gift. It can't be earned.

By Katie Green

This book has many well-meaning points. However, even our faith is a gift. There isn't a formula to healing. I believe it's God's will to heal believers, but we can't think we can conjure up enough faith, or find the perfect formula. This book is based on the idea that you must have enough faith to be healed. Art Thomas has a

better viewpoint on healing. He has a few things on Amazon. I just read this awesome article. Take the pressure off yourself to have some sort of perfect faith, and read this! It's so encouraging:
