Great Historical Fiction with insights on why the Ukraine isn't Kansas

By Martin Kilgore

A polish take on chelminski's (spelling) Cossack rebellion against the Poles in the Ukraine. Lot's of sword play, a love story, evil witches and Pan Zagloba -- the Polish Falstaff. An incredibly good read for only 99 cents.

Read this and Taras Bulba by Gogol to get the other side.

First of a trilogy. The Deluge is next where you find a quite different take on the Swedes

Them Poles (and them Cossacks too) are tough dudes.

I think of the book as Ukraine's "War and Peace" If you like historical novels and ones that are not linked to

...

By Henry MacMorran

The book starts out slowly and the translation into English is a bit cumbersome but the narrative and action improve dramatically as the book goes on. I think of the book as Ukraine's "War and Peace" If you like historical novels and ones that are not linked to England, France, or Germany this is a wonderful read.

Good read!

By Gordon F.

Intriguing novel discussing clearly a very complex bit of European history. Fairly easy to keep characters and plot straight in this extremely detailed novel.
